Headmaster's Corner

It has been a great year for Archway Glendale. Our key indicators show us at or near the top in every category relative to other Great Hearts schools. And we all know that Great Hearts schools are the best schools in AZ.

Our teachers keep getting better; our students keep getting better; our volunteers keep working harder and more generously; our parents keep reading every night to their children (Right?). Life is good.

Let's keep affirming one another and supporting each other in our shared mission: forming hearts and minds in virtue and truth!
