Community Investment

What is your child's education worth?

As we continue to provide our amazing teachers and students with the resources they need, we ask for your support in closing out our Community Investment campaign for 2016-17. With the campaign ending June 30th, we are proud to report that, 235 donors have generously given to this year's Community Investment campaign! If you have yet to make a contribution, please know that we sincerely appreciate any donation at any level.

Note From Erinn

Some of you may have noticed the change in my email address. I recently got divorced and decided to go back to my maiden name, so I am Ms. Mobley now and my email is emobley@archwayglendale.org. Please be sure to update your contact info, so you will continue to receive my emails (you know I send a lot!). For a few months, I will still receive emails that are sent to eholliday@archwayglendale.org, but that will eventually end.

So how's that summer break going?

Are you making sufficient family time, math game time, reading time, play time?

How can you keep thinking and learning?

You may want to get a big Colorku or Sudoku set to work as a family. They have some great ones online.

Go visit a cool public library for some quiet reading time.

How can you stay close to each other; even growing closer?

What else can you do together?

Our families are the rock solid foundation for all our Great Hearts success!

How can you become your family best in this great, big, beautiful, hot summer before we all get to see each other again in August for some more school learning fun?

All the best.

Enjoy answering these and other questions.

Sincerely,

Mr. K
