

Archway Glendale Bi- Weekly E-Blast August 24th, 2017

Spalding Nights - Next Week

On Tuesday, August 29th, and Thursday, August 31st, Archway Glendale will host optional Spalding Nights. We recommend families who are new to Spalding or those who would like to learn how to support their student attend. These nights will cover the same material, so please click [here](#) to register for the night you will be attending.

No Half Day on September 15th for Archway Glendale

If you are a family with students at both Archway Glendale and Glendale Prep, you may have noticed that the school year calendars differ on September 15th. Glendale Prep students will be dismissed at 12:05. Archway Glendale students will be dismissed at 2:30 (K-2) or 2:45 (3-5).

Picture Day - September 19th

Picture Day is Coming! Mark your calendar for Tuesday, September 19th. All students will be photographed for the yearbook. No sweaters or pull-overs will be allowed in the photos. Please be sure your students arrive on campus looking their best and ready to smile.

We would like to have 2 to 3 volunteers help during picture day. Please contact Mrs. McDonough at kmcdonough@archwayglendale.org if you can help.

over the past years, but we have outgrown their facility. We would like to find a bigger venue closer to the school for our concerts, if possible. Thanks to a parent we were able to book CCV for our spring concert in May, however we were notified recently that CCV won't be able to accommodate us after the spring concert in May, so we are looking for a new venue. We would prefer to find one to accommodate both concerts this school year as well as future concerts.

If you know of a venue that would be good for our concerts, can seat between 1000 - 2000 people, and is reasonably priced, please contact Erinn Mobley at emobley@archwayglendale.org. We are hopeful that one of our families will be able to help us find a great place!

Great Hearts Gala

Headmaster's Corner

This school year, our thematic goal is Strengthen Support for Student Success.

This corner tip regards math learning success. Math success is based on knowing math facts quickly and accurately. Your monitoring Rocket Math at home is essential if your student is to improve on math facts. Your support and attention to this will go a long way toward securing your student's math success.
