Athenaeum is Hiring

Our ever-growing after-school program, Athenaeum, is hiring! **Great Hearts Archway Glendale Athenaeum Program (K-8th)** is seeking well-qualified Lead Teachers and Program Assistants to support our unique, classical curriculum. Lead Teachers report directly to their Campus Coordinator and assume some administrative duties, such as planning lessons, assigning preparation of activities to Program Assistants, etc. Additionally, they share in the tutoring and supervision of the program scholars and in leading them in a variety of extra-curricular activities (reading, athletics, logic games, art, music, etc.). Program Assistants support the needs of their Campus Coordinator and Lead Teacher. **This is a wonderful opportunity for aspiring educators or for those who love working with children.** Click [here](#) to select the best job requisition for you.
