

Archway Glendale Bi- Weekly E-Blast October 5, 2017

Attendance - Too Many Tardy Students

Families should arrive on campus no later than 7:20 am to ensure their Archway Glendale student is on time. If students arrive after 7:35 am, it is likely they will not be in his seat and ready to learn when school begins at 7:40 am. At 7:38 am, the main entrance doors will be locked and students will have to enter through the office to get a late pass. If a student has 6 unexcused tardies or more, he may have to serve detention.

Uniform Shorts Allowed Through 10/31

Students may wear uniform shorts through 10/31. From 11/1 to 3/9, uniform shorts will not be allowed.

Mandatory Winter Concert - November 30th

Please mark your calendars! November 30th is the date of our mandatory winter concert. The concert will be held at Glendale Church of the Nazarene on 59th Ave and Cactus Rd. Please read our next bi-weekly blast for more details.

Archway Glendale Faculty Led Clubs - Register on 10/6 @ 7 pm

Quarter 2 clubs will start the week after fall break. Families can start registering tomorrow night at 7 pm. The curriculum in many of our clubs repeats each quarter. We would like to see new students participating each quarter, so if your student was part of a 1st quarter club, please wait to register again so other students have the opportunity to try a club.

Make Your Guesses on Facebook

Headmaster's Corner

Fall Break makes us all happy, especially with our great October weather. Let's not make it a break from reading though. Every night, read to your students. Studies show a one-to-one correlation between students who are read to by parents and students who enjoy great learning success.

Do not forget family play time during the break. Sneak in those fun math games: Blink, Spot It, Super Circles, Sets, Dominoes, Tangram, and Sudoku are fun, popular, and very good for our math brains.

How about a family project to build a cool Lego village or scene? Take a photo and post it on the official Archway Glendale and Archway Glendale PSO FB pages! Lego building correlates strongly with math spatial reasoning!

Have a great Fall Break from school and enjoy some fun ways of learning together! Let's keep **strengthening support for student success**. See you October 16th!
