

SPECIAL EVENT PARKING

Please carefully read this procedure while looking at the "Event Parking Traffic Map" on the next page.

1. **Arrival on Campus:** Please do not arrive on campus to park before the time advertised by the school. These times are chosen to accommodate the academic and athletic programs of both schools, as well as our staff needs.
2. **Entering the Parking Lot:** Cars may only enter the parking lot through the 83rd Avenue entrance. The Pinnacle Peak entrance will be closed until the event concludes.
3. **Walking to Campus:** If you live nearby, please obey traffic signs and use designated crosswalks. If you live east of 83rd Avenue, you must use the crosswalk at Pinnacle Peak and 83rd Avenue. *You may not cross 83rd Avenue at Planada Lane.*
4. **Special Parking Procedures:** To maximize parking capacity, the first 60 cars to enter the lot will park perpendicular to the building's sidewalk. Cars should pull all the way up to the next available spot, and pull forward to the curb. Leave crosswalks open. *Please follow the directions of staff members to ensure safety and efficiency.*
 - a. **Do not begin parking in the lot until the curb spots are filled.** Once these spots are filled, please park in any open spaces.
 - b. Glendale Prep's Student Parking Lot in the northwest corner of the property will be open and available for Archway Glendale parent parking.
 - c. During event parking, traffic should be **a single one-way lane.**
 - d. Please **do not park** on Planada Lane or Pinnacle Peak Road. *Cars may be ticketed for doing so!*
5. **Entering the Building:** Please follow posted signage for the appropriate entrance to the event.
6. **Exiting the Parking Lot:** Please exit the parking lot through the Pinnacle Peak Road exit or the 83rd Avenue exit. All traffic should move in a single one-way lane before and after events.
