

# Archway Glendale Bi- Weekly E-Blast August 16th, 2018

## First Half-Day Today

Today, August 17th, is our first half-day of the year. Kindergarten through second grade students will be dismissed at 11:30. Third through fifth grade students will be dismissed at 11:45. Please arrive on campus by 11:55 to be entered into the iPad.

## Traffic Exhortation Correction and Pick-Up

Earlier this week you should have received a Traffic Exhortation email from us. One of our parents noticed we had made a mistake in the drop-off portion. Thank you!

**Families with only Archway Glendale students should get in the LEFT lane for drop-off, not the right lane as we had indicated. We apologize for any inconvenience this caused.**

**If you have a green pick up tag**, please do not arrive on campus before 2:40. Third through fifth grade students are not in the MPR until 2:40 at the earliest, so arriving before that holds up the queue. You will be asked to circle around the parking lot until 2:40.

If you are walking to pick up your student(s) at the main student entrance, please change the Pick-Up Form to indicate your student is a walker and arrive at 2:45 when the walkers are released. If your student is not marked as a walker, he will not be in the lobby and it may delay pick up for you.

## **Community Investment**

Just as our Archway students have already begun their work, the Development Team has been working hard to support our students and teachers. It is a blessing and privilege to work alongside our incredible Archway families as we raise awareness and support for this year's Community Investment and Tax Credit campaigns. These campaigns are critical in providing the additional funds that are necessary for us to nurture our young scholars in Truth, Beauty, and Goodness. As fellow parents, we

## **Headmaster's Corner**

I want to applaud the teamwork between teachers on traffic duty and so many of our parent drivers. We are all learning how best to serve each other and our students while getting our students picked up safely and swiftly. Please call the school office if you have questions. We will do our best to help you find an option that is within our traffic procedures and works for your family.

Saturday, August 18 (K-1), Tuesday, August 21 (2-3), and Thursday, August 23 (4-5) are our curriculum events with our teachers at school. It is a great opportunity for you, as our partner in your child's education, to learn what is in store this school year, and how you can best support learning success for your student.
