

Archway Glendale Bi- Weekly E-Blast August 30th, 2018

Picture Day is September 18th

Picture Day is coming! Mark your calendar for Tuesday, September 18th. All students will be photographed for the yearbook. No sweaters or pull-overs will be allowed in the photos. Please be sure your students arrive on campus looking their best and ready to smile.

Singapore Night and Spalding Night

We had a successful Spalding Night on Tuesday with around 25 parents. If you missed out and would like us to add another one, please email Erinn Mobley to let her know. If we get enough interest we will add another night. Spalding Night is an opportunity for parents to learn how to help their children with the Spalding homework.

Singapore Night will take place on September 6th. Parents only please! Singapore Night is a chance for parents to learn more about Singapore Math!

We have some exciting news in regards to faculty changes at Archway Glendale!

ART:

Elizabeth Butler has been our substitute art teacher since school began. She will be staying to teach 3rd through 5th grades for the month of September. We are so grateful she was able to return as a substitute art teacher for us. She will be preparing for a couple of art shows in November and January. We will post details on our Archway Glendale FB page when we have them.

Ana González will be moving from office assistant to our kindergarten through 2nd grade art teacher. She will continue teaching 4th grade Spanish, as well.

Beginning October 1st, Maureen Mure will begin teaching 3rd through 5th grade art. She is currently working for Great Hearts Co-Curriculars.

OFFICE:

Kim Fleming will be taking Ana's place as the office assistant.

KB:

Marlee Wright will be taking over for Kim as the KB TA. She comes to us from Athenaeum.

Please help us in welcoming these faculty members to their new positions!

Headmaster's Corner

You may wonder at times why we read so many fairy tales at Archway Glendale. Fairy Tales are classic children's literature and, among other things, they stir up and help form the moral imagination of young people.

Our students get to "try on" through their experience of these stories what it means to be good and noble and how to recognize and overcome evil in the world. The stories are a "safe way" to exercise their conscience and to discover how to become a virtuous person; that it will take struggle and work, commitment and perseverance, but it is all worth it if we want to live happily ever after. And of course all of us want to live happily ever after. Virtue is the gateway to the happy life, and reading the great children's classics is an entryway to virtue.
