## **Picture Retakes - 11/6**

Picture retakes will be on Tuesday, November 6th. If you would like a retake and did not purchase a picture package on original picture day, please stop by the school office to pick up an order form. Please have your student bring the completed form to school Tuesday.

## **Don't be Late!**

With the days getting shorter and the mornings getting darker, it is harder to get out of bed, but please try to get your student here on time. We typically see an increase in tardies this time of year! Students must be dropped off by 7:35 to ensure they are on time.

## Headmaster's Corner

How's your **Growth Mindset**? Have you been accepting, embracing, even seeking **Challenges**? Well, you know you must if you are going to get better. And you know that "He who is not making progress is making regress." Take the family challenge to improve growth mindset!

We will be helping you learn what it means to "grow our brains", persevere with effort and new strategies, never quit, face mistakes as opportunities to learn and get better.

At our school we are not so much in the achievement business as we are in the learning business, each one of us striving every day to be better, do better, and do our personal best academically, spiritually, morally, socially, emotionally, and physically.

**Wednesday, Nov. 7, 7pm in the MPR** is a parents-only workshop on **Growth Mindset**. Won't you join us! It should be fun to "grow our brains" together!!

Time to take the challenge. Commit ourselves to growing in every area of our lives – at home, at work, at school, and at play.

Have a great day and enjoy growing your growth mindset!

See you at **7pm on the 7<sup>th</sup>**!
