

Archway Glendale Bi- Weekly E-Blast February 28, 2019

Quarter 3 and 4 Archway Glendale Faculty Led Clubs

The week of March 4th, is the last week for quarter 3 faculty led clubs. There are three semester 2 clubs that will still meet, Book Club: The Hobbit, Drama Club, and Stage Prop Club.

Quarter 4 clubs will start the week of April 1st. Information will be available on the portal on March 25th and signups will go live at 7 pm on March 26th.

Morning Tutoring

Please be aware that if a student arrives late for morning tutoring, he will not be allowed to go back to the classroom. A student is late when he arrives after the teacher has already picked up other students from the lobby and returned to the classroom. Students will not be allowed to walk the hallways in the morning without an escort.

Re-Enroll on March 12th, 13th, or 14th

On Monday, March 4th, all current Archway Glendale kindergarten through 4th grade families will receive an email to re-enroll for the 19/20 school year. We recommend using a computer or tablet and Google Chrome to complete the online re-enrollment forms.

If returning or unsure, we will accept re-enrollment materials by appointment only. Sign up now: [Archway Glendale Re-enrollment Appointments](#)

Please check all phone numbers and addresses on the forms ! Some manual changes were made, so that the Student Database information is consistent. There is an option to indicate if you made changes, so we can easily identify the data that needs to be updated. Please print the forms out one-sided (they do not print in the order we file them), sign where applicable, make sure you have a document to prove AZ residency (a drivers license or bill that lists the same address as the one listed on the re-enrollment form, pre-made copies are appreciated), and the Community Investment Form.

Did You Know?

There are a variety of different statements you can print from the Archway Glendale payment portal. You can print a statement for a particular order or donation, or you can print an account summary statement for a particular date range.

To do this, login to your account on the [payment portal](#) and go to Account - Orders - Order History. Click on 'Statement' to select the dates, type of statement and method of delivery.

Love and Logic Seminar For Parents

Love and Logic is used on the Archway Glendale Campus. Love and Logic will be offering a parenting workshop in Phoenix on March 30th. For more information click on this link: [Love and Logic Workshop](#) Here is an excerpt from the website:

Parenting with Love and Logic®

Join Jim and Charles as they blend stand-up comedy with practical techniques for raising respectful and responsible kids. Two sessions available - attend the morning session, afternoon session, or both!

Change to Spring Concert

Archway Glendale concerts are wonderful, but can be stressful for many families, especially those with kindergarten through second grade students. As a result, we have decided to try something new! The Spring Concert on May 2nd, will still be divided into two concerts. The first concert will be for 1st and 2nd graders and the second concert will be for 3rd through 5th graders. Kindergarteners will perform at our newly created Kindergarten Concert Celebration on Wednesday, May 15th, from 5 to 5:30. Details regarding both concerts will be sent as the date gets closer.

Community Investment

The study of science is an integral part of the Great Hearts curriculum. At Archway Glendale, we believe that science nourishes critical and creative minds. By teaching science as a liberal art, we prepare our young scholars for technical studies in high school and beyond.

Community Investment supports each and every student in our science curriculum! This includes our fourth grade class who recently conducted exciting experiments with chemical reactions!

Thank you for supporting our scholars!

Headmaster's Corner

A five year study of the top artists, athletes, and scholars in the US concluded *drive and determination*, not great natural talent, led to their extraordinary success. As Thomas Edison said, "Genius is 1% inspiration, 99% perspiration."

Whatever we find in our homes and our lives that limits our *drive and determination* or that does not encourage *drive and determination* as something essential to living a full and happy human life, let's get rid of it, and keep it got rid of!

Enjoy the journey with your children, our students! We enjoy them every day. Thank you for entrusting them to our care. We assure you we are committed to cooperating with you to help them grow in knowledge, skill, and virtue each day and each school year!
