## Important Dates

as soon as possible.

## Community Investment

We believe the study of history is vital to the moral formation of our students. A Great Hearts education at Archway Glendale immerses students in the details of history and prepares them for the thoughtful exercise of American citizenship and for engagement in global civilization.

Today, our students participated in our annual Wax Museum. Our young historians portrayed characters from the Civil War. This is an exciting day for our fifth grade scholars, as well as family and friends who visit!

We are honored to publicly recognize those families and friends who have contributed to this year's Community Investment campaign.
