Great Hearts Is Hiring

Finding the right teachers to join Great Hearts' academic communities in Arizona or Texas - faculty who are virtuous and have rich intellectual lives, who are subject-matter experts, committed to life-long-learning and the true, good, and beautiful - is quite simply the most essential element of our academies' success.

The recruiting efforts of Great Hearts are tremendously strengthened by the "word-of-mouth" promotion of our teaching opportunities to the broader local community *through our own academy families*. Thank you to those who graciously shared information about the Great Hearts Career Fair last month. Many asked for general materials regarding our recruitment/hiring to share with colleagues, friends, family members, and/or neighbors whom you'd love to encourage to work for Great Hearts. Your help in this regard would be very much appreciated. You will find two attachments below that may be used for that purpose. One is a word document with informational text that may be copied, paste, or forwarded and the second is a colorful flyer. Please feel free to use these materials via email, social media, etc. Please always feel free to reach out to Great Hearts directly at careers@greatheartamerica.org.

Great Hearts Gala - Save The Date!

Save the date for the [Great Hearts Gala](#) on September 28th. Our PSO President, Shannon Richards, is the [2019 Great Hearts Gala Chair for Archway Glendale and Glendale Prep](#). Funds raised at the event support our outstanding faculty and the Teacher Excellence Fund. Right now we are in need of auction and raffle items. If you can donate, please email Shannon: srichards@greatheartsaz.org.

good habits that sometimes slip.

But most important of all is how we finish! Finish strong! Every day, our best effort all the way through May 24! Then that summer break will feel right, good, earned, a summer with no school regrets.

Thanks for partnering with us to form hearts and minds in virtue and truth. Now requires our best united efforts. Like a runner in a long distance race come to the 4th long lap, now we must dig deep for all our energy and resources, and sprint to the finish line, break the tape!
