Get Ready Now for the 19/20 School Year!

Please use the checklist and links below to make sure your student(s) have all the items they need for the 19/20 school year. There are two separate links you will need to click to be sure you have everything you need!

#1 Student Materials and Field Trip/Cultural Events Fee: Student Materials are materials that students usually write in and cannot be used from year to year. These materials include the Singapore textbooks/workbooks, Spalding notebooks, etc. The materials will be delivered to your student's classroom. If the cost of purchasing these materials causes a hardship for your family, please contact the school office. The 19/20 Field Trip and Cultural Events Fee is available now on the Archway Glendale Payment Portal. Each Archway Glendale student will go on at least two field trips per year as well as attend a few on campus performances.

Headmaster's Corner

Teacher Appreciation Week has been a joy to behold. What amazing families we have! I am so grateful you recognize the excellent and hard work put in by our magnificent staff and faculty.

In turn I would like all of our families to know how much we truly appreciate you and the effort you make to be our partners in forming hearts and minds in virtue and truth.

I have never worked in a school, and I have been blessed to work in some very good schools, that has a better, more supportive parent body than Archway Classical Academy, Glendale. As I look around at the families making up our school community, I see families willing to make generous sacrifices for the sake of helping their children grow in love, wisdom, knowledge, skills, and all virtue.

We are especially blessed by our families who foster and adopt children! How much power and good comes from that sacrifice for our entire school community can only be measured in eternity!

We live in trying times. We are called to support one another, forgive one another, and help each other get better every day and every school year.

Thanks for answering the call! I am truly humbled and blessed to be your headmaster!
