

PSO minutes – 12/17/19

meeting called to order – 6:11

FINANCES:

Tawni gave us each a handout of the budget. Snowstorm brought in more money than last year. Most of the donations were made through configio.

We made around 1,000.00 on the Cookies and Crafts event. (see handout)

We will only make approx. 1.30 for the bows we are selling. Krystal has not yet given us a price on the cost of the hats.

We are unsure why the lunch program is showing a big gain in September in comparison to the other months. (see handout)

Harkins Loyalty program – we made a small profit of around 400.00 (see handout) – we will see if Renee wants to continue or do something different next time.

LUNCHROOM ASSISTANTS:

After speaking with Archway North Phoenix we realized hiring someone would cost us more that we expected – 6,000.00. Mr. Kersting will meet with Shannon, Kristina, and Tawni the week after Christmas break to discuss other options. He mentioned getting the TA's to help with checking the names off.

Heather will take over when Kristina goes on maternity leave,
