FOOD DRIVE

- Boxes will be picked up this Friday and reminders will be sent out.

FROZEN II TICETS

12/6 at 2:00 – 57/148 seats have been filled

robo text reminder will be sent out Saturday afternoon – 11/23

COOKIES & CRAFTS

Katie, Shawna, and Kelly will be there volunteering along with the art teachers. We discussed the idea of paying teachers, if it's approved, to also help out. We talked about getting GP students to volunteer as well.

We need to make it known on reminders sent out that this is a “drop off event” and also note that this is for students only.

*Sherri reminded the committee that everything sent out MUST be approved by Mrr. Kersting.

movie shown must be rated G – instead of a “Christmas” movie, we discussed showing a “winter” movie

SNOWSTORM

12/2-12/13 – timeline

Maria thought a soft roll out next week would be a good idea.

Kristin has not been confirmed but Linda P. will be there.

Video with teachers reading (for the first time) things that students, parents, and fellow teachers said about them.

We discussed the idea of us (the PSO team) having fun matching onsie type PJ's on the curb

We did not discuss the fake snow.

FEEDBACK

Movie on the Lawn-

We are thinking for the spring event we should presale pizza (whole pizzas and individual slices) and just have a desert food truck only. However, we do think the food trucks are appealing to parents.

We are thinking about trying the presale pizza and see the difference it makes. Kelly mentioned her

father in law would be happy to do the popcorn again and will plan to give the school some of the profit. Someone else mentioned also having a candy presale?!

Elizabeth mentioned "The Fresh Shave" food truck (owned by her friends) could also be an option.

SUCCESS!!!! Fun and well organized!

Maria asked for possible volunteers to help her with the extra recess that was earned. She will get with teachers and possibly plan it for a Tuesday so that Kelly would be available to help.

Restaurant Night –

Chick –fil- a is from 4-7 and we realized a couple of those hours will overlap with the stargazing event at school. Chick-fil-a is giving us 10% off **ALL** sales made during this time. They only ask that someone from the school remains there the entire time. Marilyn and Elizabeth plan to be there.

Lunch –

The committee voted **YES** to pay someone from our funds to be in the lunchroom every day.
