

Archway Glendale Bi-Weekly E-Blast

January 23rd, 2020

Love and Logic Parent Night

On Tuesday, February 18th, Archway Glendale will be hosting a Love and Logic Parent Night from 6 to 7 in the MPR. We will explore the Love and Logic Philosophy for discipline and character development.

If you attended the Growth Mindset Night or the We Choose Joy Night, you already know the dynamic presenter for this Night. Official Love and Logic Facilitator, Suzanne McCauley, will share the foundational principles that guide Love and Logic, along with giving helping strategies you can implement.

Academy Giving

In an era when many school districts are cutting Physical Education programs and many other high-performing charter schools dispense with athletics entirely, PE remains a central piece of the Great Hearts Archway program. From K-5, children develop the elements of fitness, learn the rudiments of major sports, and deepen their understanding of the human body. They also develop perseverance and courage in the gym or on the field, a vital complement to the character development that goes on in the classroom.

We would like to give a well-deserved ovation to our Physical Education teachers who help our students fulfill the Latin proverb: "A healthy mind in a healthy body."

This type of education is made possible by our Community Investment campaign. **We are honored to publicly recognize those families and friends who have contributed to the Community Investment campaign.** Please click [here](#) for a listing of our 2019-20 Community Investment campaign donors as of January 21, 2020.

If you have yet to make your [Community Investment](#) gift for the 2019-20 school year, please make your gift today. Thank you!

Headmaster's Corner

One of the many reasons why I love working at Archway Glendale is we have the World's Greatest PSO!

And one of the great things our PSO does is organize and run the school's all-volunteer hot lunch program. That program, that PSO, and our students need you. **NOW**.

Without volunteers to serve hot lunch, we have no hot lunch program. This month we still have five 1.5 hour shifts open and next month, February, we have a great number of those half shifts.

Please sign up and serve.
