FAMILY VACATIONS

All family vacations should be scheduled during school breaks. Absences due to vacations will be considered unexcused absences. An unexcused absence longer than ten consecutive days will automatically result in the withdrawal of the student from the school. Unexcused absences in excess of eighteen days may be considered to be truancy. Special consideration will be made for absences due to bereavement. The school is not obligated to modify or accommodate curricular requirements due to unexcused absences. Unexcused absences are not a waiver of work responsibilities.

Headmaster's Corner

This school year and this New Year

We choose JOY!

There are three defining objectives to the thematic goal of choosing joy:

1. Positivity
 2. Gratitude
 3. Social Connections
-
1. Please positively encourage your students to grow in knowledge, reading skill, and math flexibility. Play those family math games!
 2. Please encourage your students by your own words and deeds to be grateful and to express that gratitude frequently.
 3. Please build the social connections within your family by taking time each day to listen to and speak to your children, our students, from the heart!

And have a heartfelt Joyous New Year!
