Tuesday

Task:

Would you rather eat 138 jellybeans, or 8 cupcakes? Why? Draw a picture or write your answer below.

*For use during at-home Spring 2020 instruction only – Archway Glendale Second Grade

Tuesday Math Activity

- 1- Print the following 3 pages
- 2- Cut the puzzle pieces apart
- 3- Randomly shuffle the puzzle pieces, intermixing all of the numbers and puzzle pieces from each page

*Steps 1-3 can be completed in advance

4- Assemble the puzzles correctly. Each completed puzzle should show the same number using various place value strategies.

5- Once completed, puzzles can be glued to the back of any blank paper. Using the back of papers in this packet are a good option to glue the puzzles to!
