Dear Kindergarten Families,

We sincerely miss seeing our students each day. We appreciate each and every family of Archway Glendale and your willingness to partner with us during this time as we continue to expand upon your student's learning. Our hopes in regard to this packet is that each family will be able to access a rich learning curriculum that can be accomplished remotely from your home. If you have any questions, comments, or concerns we would be more than happy to hear from you and we will do our best to answer any and all questions.

When completing the learning activities, please feel free to use your own paper to complete any work. **If using paper from home to complete an activity, please be sure to label the top of every paper with the student's name, Week 1, and the date.** In addition, please **save the daily rubric**, checkmarked and signed by a parent. This will be turned in at a later time. More information regarding that will come later.

Please check your email for the Kindergarten Herald, our weekly newsletter, to view some exciting optional enrichment activities put together by your student's teachers! Remember, the items in this packet are part of your student's required learning activities; however, the enrichment activities in the newsletter are optional. Be sure to follow the time requirements outlined above. If the activities are taking longer than the recommended time, please reach out by e-mail to your teacher and we can make adjustments. Again, thank you so much for your care, commitment, and cooperation as we continue to build upon the rich foundation of our student's learning.
