## **Zoom Meetings Start This Week, Stay Safe Guidelines**

Zoom meetings with students start this week. We hope the meetings will enhance remote learning and offer social interactions for our students. Please help your child stay safe by adhering to the following safety protocols:

- Have your child sit with his back to the wall. This decreases distractions in the background.
- Do not record Zoom meetings.
- Do not take screenshots of Zoom meetings.
- Do not share Zoom invitation links with any other parties or on social media.
- Do not have your child create a Zoom account.
- Parents are allowed to sit with their child if preferred during a Zoom meeting.
- If your child has headphones, he may wear them to Zoom meetings, which will increase privacy and limit feedback.
