ASU Camp A.S.P.I.R.E for 3rd through 5th Graders

This summer, Clinical Psychology Graduate students in the ASU Department of Psychology Clinical Psychology Center are launching a new virtual psychologically oriented, strengths-based summer camp to teach students how to manage stress, conflict, and grow in social settings to position themselves for success later in life. There will be a group for 3rd to 5th graders and a group for 6th to 8th graders.

The focus of this camp is to promote strength-based skills, building on existing strengths and increasing additional skills to deal with life and stress. This includes setting long term goals, planning on how to achieve those goals, as well as learning coping strategies such as managing negative thinking or negative emotions. It also covers problem-solving and asking for help.

If you would like to sign your student up, please click this [link](#).

Is Your Child Ready for the 20/21 School Year?

Have you completed all the items below so that you know your child will be ready for the 20/21 school year? If not, please take a look at the items below and reach out to the [office](#) with any questions you might have.

1. Purchase Student Materials (different from School Supplies)

Student Materials are not school supplies. They are consumable materials that students usually write in and cannot be reused from year to year. These materials include the Singapore books, Spalding notebooks, literature books, etc. Purchased materials will be

delivered to your student's classroom before school begins. If the cost of purchasing these materials causes a hardship for your family, please contact the school office at office@archwayglendale.org. Use the link below to purchase the Student Materials you need for your children.

Please note that the Field Trip/Cultural Events Fee is not included this year. Field Trip fees will be paid per field trip for the 20/21 school year.

2. Purchase Uniforms

Our uniform vendor is [Anton Uniforms](#). You may set up an appointment to visit their store in Tempe. Please check their website for more information.

3. Purchase School Supplies (different from Student Materials)

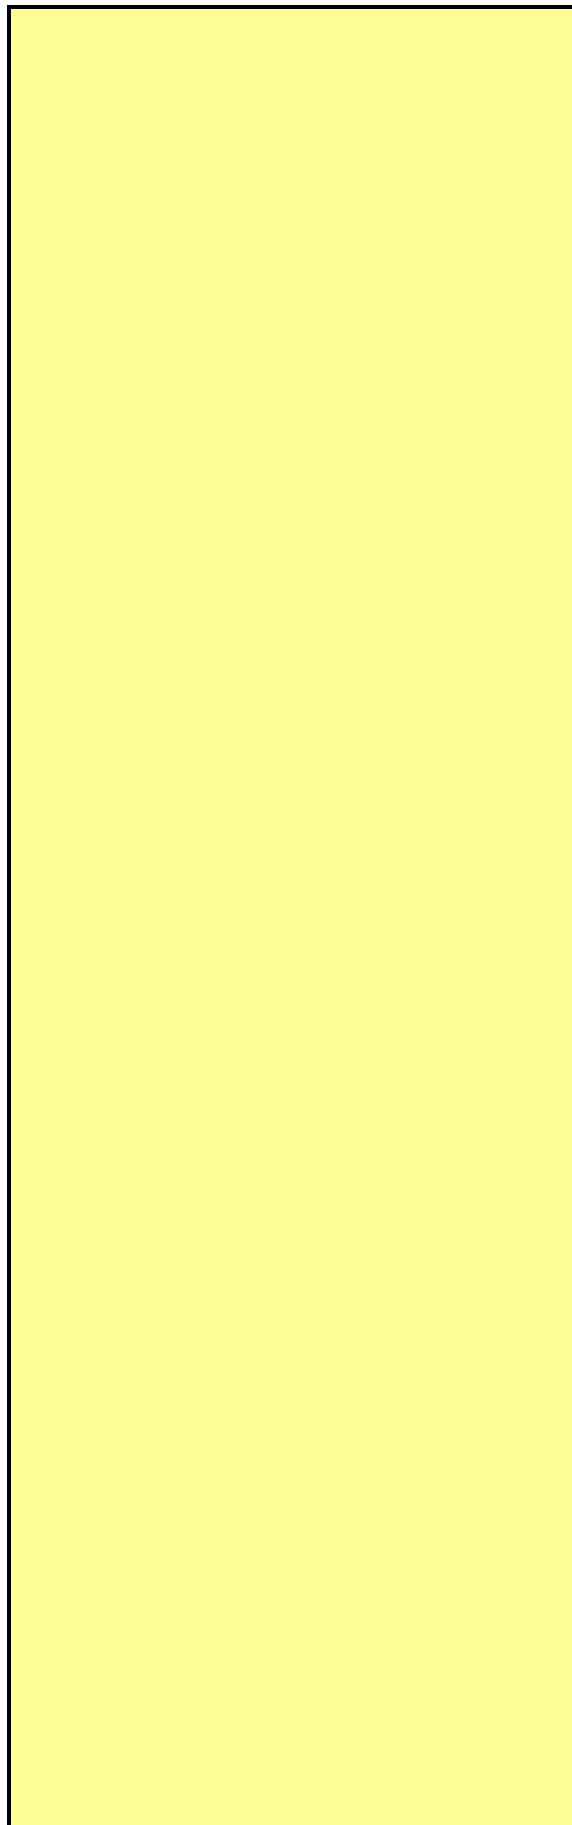

School supply lists may be found [here](#). Please bring school supplies to Meet the Teacher Night. If you have any questions, please reach out to the school office.

4. Apply to be a Volunteer

Do you want to chaperone on a field trip, help with Read-a-thon, volunteer in the classroom or lunch room? Apply to volunteer today! All volunteers are required to submit a Volunteer Application each year, rather than being fingerprinted every few years or submitting a Level 1 Arizona Fingerprint Clearance card. The cost is \$5.00, and the process is very quick. It should take about 10 minutes to fill out the application, and results will be emailed to volunteers within 48 hours. Please note:

1. On the personal information screen, "Affiliation" references the relationship the person has to the student. Under Student Name, please list all Archway Glendale and Glendale Prep student names.

2. On the school preferences screen, please choose Great Hearts Glendale for Archway Glendale and Glendale Prep.

3. On the functions page, please note that "Functions" references activities and that all activities ARE NOT available at Archway Glendale. Archway Glendale options DO NOT include: Athletics, Concessions, Student Services, or Field Trip (please choose Chaperone instead). Glendale Prep may offer some of the options Archway Glendale does not.

4. On the disclaimer page, please note that ALL volunteer activities at Archway Glendale require a background check and therefore a social security number.

4. On the payment page, please note that the fee for ALL activities (a.k.a functions) is \$5.00.

Please reach out to the school office with any questions or concerns.

The Archway Glendale campus will remain a closed campus, meaning that visitors and volunteers are not allowed to be on campus unless prior arrangements have been made. All visitors and volunteers will be required to present an ID upon entry to the campus.

Message From Mr. Kersting

Dear Golden Eagle Families,

Hot enough for you? Hopefully, some of you are getting a chance to get out of the heat this summer, or at least you are staying in the AC, or, at the very least, cooling off in the pool!

Believe it or not, there are only 43 days left until the first day of the 20-21 school year. All of us will need patience and trust in one another to do what is best for our families and the school community. Our office staff and administration have been working diligently to prepare, as best we can, to start the school year strong and safely!

Keep enjoying that precious family time, keep your eyes open for messages from Great Hearts, AZ, and stay healthy, strong, and safe!
