Community Investment

Hello Archway Glendale families!

This year, we are thrilled to serve as your Academy Giving workforce for Archway Glendale both in-person and online! Our role is to raise the necessary funds for our school that make our classical liberal arts curriculum possible. We do this through two campaigns that are vital to our school, the Community Investment Campaign, and the Arizona Public School Tax Credit Campaign. We look forward to partnering with you throughout the school year in supporting our great academy. In the meantime, please feel free to contact us at 623.889.0822 should you need any assistance. We cannot wait to see everyone in person!

In the service of our students and teachers,

Cathy Sparks and Tonya McHale

P.S. We would love to see (and post) photos of your student participating in online classes at home. Send your photos to csparks@archwayglendale.org.
