You may have hung on to your child's uniforms from last year and made them work. However, now is the time to double check that those uniforms are fitting well and following uniform policy. For gentlemen and ladies, pants should reach the shoe but not drag on the ground. No excessively baggy or tight-fitting pants will be permitted. Pants should be worn at the waist. The length on ladies' skirts and jumpers may be no higher than just above the knee, both in front and in back. Skirts must be worn at the waist. The Archway Glendale PSO will be hosting a uniform exchange this Saturday from 8:30 to 10 am in the MPR. If you have any questions regarding uniforms, please contact [Sara Swinford](#).

## **Message from Mr. Kersting**

This has probably been the craziest, most stressful first quarter, in the history of American schools. I have been in the education business a long time, beginning shortly after the signing of the Declaration of Independence, and Thomas Jefferson, Ben Franklin, John Adams, and I have never seen anything like it.

Our teachers are the most amazing, loving, caring, hard-working, talented, intelligent, above and beyond group of educators with whom I have ever been associated. I am abundantly grateful for them every day. They are so successful at forming hearts and minds in virtue and truth, first of all, because they themselves are virtuous, great-hearted, life-long learners dedicated to the pursuit of goodness, truth, and beauty, and committed to inspiring young people to pursue the same.

Thank them and honor them every chance you get.
