## What to Expect After the Thanksgiving Holiday

Erik Twist sent a letter to families yesterday regarding the Thanksgiving Holiday. Please click [here](#) to read it. All students will be participating in Distance Learning on 11/30, 12/1, and 12/2. Tomorrow afternoon, Mr. Kersting will be sending a letter to all Archway Glendale families regarding what Distance Learning will look like during these three days.

## Email Communication

Email is the method most used to communicate to Archway Glendale families. Over the next few weeks and months, please check your email regularly so that you can stay up-to-date with what is happening within Great Hearts and especially on the Archway Glendale campus.

## Military Identifier Questions - Please Respond by 11/30

With the adoption of the Every Student Succeeds Act (ESSA), the Charter Board is requiring Archway Glendale to ask the Military Student Identifier (MSI) questions listed below. The answers will provide Archway Glendale with critical information to personalize attention for military dependent children. Parents/guardians may decline to respond to these voluntary questions and if so, answers will be reflected as a "no".

If you would respond yes to any of the following questions, please email [Erinn Mobley](#) with the question #.

## A Word From the Dean

According to the Maricopa County Department of Health, a "close contact" is someone who has been within 6 feet of someone who has tested positive for COVID for an accumulated time of 15 minutes over a 24 hour period.

The CDC and Maricopa County Health Department (MCHD) both recommend that close contacts quarantine for a full 14-day period. **Archway Glendale will require all close contacts to quarantine for the full 14 days to remain in compliance with this recommendation and to prevent possible spread within the community.** Quarantine is used to keep someone who might have been exposed to COVID away from others. Close contacts who are quarantined should stay home, separate themselves from others, monitor their health, and follow directions from state or local health departments. Quarantined students may not be on campus and will not be able to participate in any school activities while the quarantine is in effect. If you have any questions regarding COVID policies or your child is identified as a "close contact" from a source outside of Archway Glendale, please contact [Mrs. Swinford](#).

## International Travel Over Thanksgiving and/or Winter Break

Are you planning on traveling internationally over one of the upcoming breaks? If so, please be aware that your student will need to quarantine for 14 days upon return. Please let [Mrs. Swinford](#) know your plans, so she can give you return dates for your students.

## Message from Mr. Kersting

Greetings Archway Glendale families!

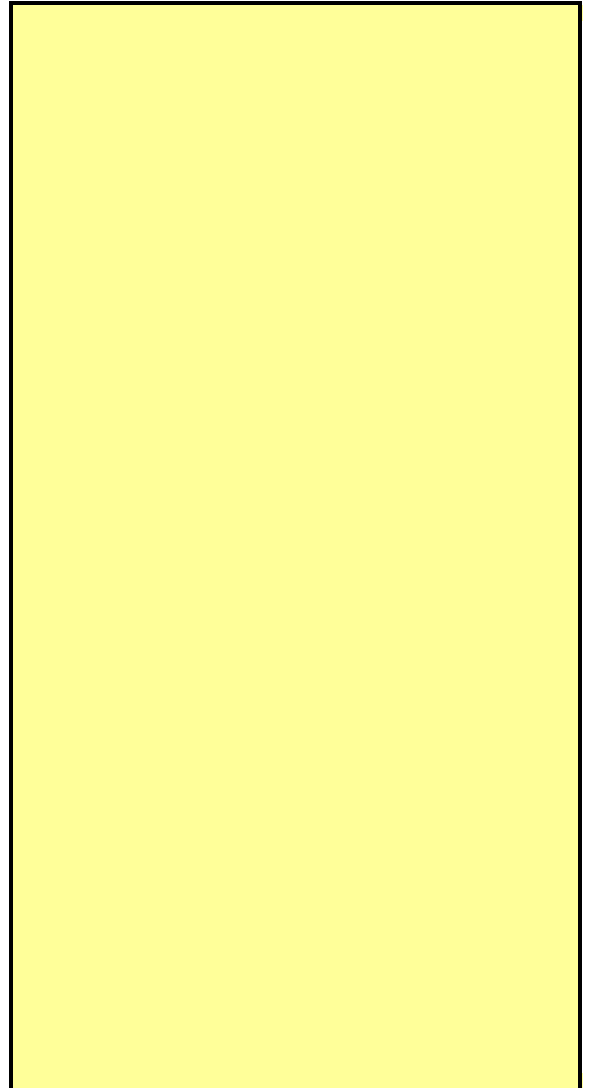

I invite you to join me in celebrating our academy on December 1<sup>st</sup> for #GivingTuesday. This day of giving was created to encourage people to do good. Over the past seven years, it has grown into a global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

Archway Glendale's education relies upon parent partnership. Thank you to the families who already support our classrooms through Community Investment. On #GivingTuesday, our intent is to fulfill our Community Investment goal by raising \$30,000. The average difference in funding we receive from the state between our classrooms and the district school classrooms is \$1,500 per student. Please consider making a gift of \$1,500 or an amount that is meaningful to your family. You can give by [clicking here](#) or by connecting with [Cathy Sparks](#) in Academy Giving.

Thank you for supporting our school!

Go Golden Eagles!

Jack Kersting
