

Golden Eagle E-Blast

February 18, 2021

Online Re-Enrollment Will Take Place March 1st - 11th!

All current Archway Glendale kindergarten through 4th grade families will receive an email on March 1st to begin the process of re-enrollment for the 21/22 school year. To help make the process smooth and quick, please:

Be sure to get a document to prove your AZ residency. A driver's license, electric bill or water bill work best. The address must be the address where the student resides and must match the address on the re-enrollment forms. You will need to scan and email the document to Mrs. Fleming once you complete the online re-enrollment.

Backpacks for 5th Graders

A decision has been made to allow backpacks for 5th graders **only** starting in the 4th quarter. This will allow Archway Glendale 5th graders to practice and prepare for the transition to Glendale Prep.

Kinder Academy and Summer Camp

Register now for Great Hearts Kinder Academy or Great Hearts Summer Camp. For details, please click [here](#).

SARRC

This year, Archway Glendale will be working with the Southwest Autism Research & Resource Center (SARRC) on a project regarding a universal screening for social challenges in public schools. The idea is that screening children for social challenges early and identifying and addressing those challenges will have a significant positive effect on their school experience. All students in 2nd and 4th grade will be screened by their teachers in two weeks, unless their parent or guardian chooses to opt out of the screening. Please read [this letter](#) from Christopher Smith, Vice President and Director of Research at SARRC, for more information about the screening, and read the answers to frequently asked questions which are [available here](#). Please note that your child's identifying information will not be shared with SARRC. If

If you have any other questions about this project, please reach out to our Dean of Students, [Sara Swinford](#).

Lost and Found

Please see the pictures below for this week's lost and found. Items that are clearly labeled are returned to the student's classroom:

Headmaster Corner

Without trust, nothing good can happen in human relationships and no great results can come of our labors. Each of us is called to commit ourselves to becoming trustworthy persons who practice the 13 high-trust behaviors and thereby contribute greatly to the success of our families and our school.

Talk straight, demonstrate respect, create transparency, right wrongs, show loyalty, deliver results, get better, confront reality, and clarify expectations are the first nine high trust behaviors. They cannot take us all the way there unless we practice accountability as well.

So often we fear to hurt people's feelings and paradoxically hurt people's chance of personal and communal success. We must first hold ourselves accountable, taking responsibility for team results. No excuses. We must clearly communicate how we are doing and how our colleagues are doing. No avoiding and no shirking responsibility. No blaming and no finger-pointing. We must ask what is going on and confront the reality of unfulfilled commitments while demonstrating respect for every member of our family or our team and offering to do what we can to help.

Practicing accountability requires courage and great love. When we all practice accountability, great results are produced!

Trust is worth it, and trust cannot exist unless we all practice accountability.
