Morning Drop Off

Archway Glendale students are expected to be seated in their classroom, ready to learn, by 7:40. In order to make sure your student is on time, please arrive on campus between 7 and 7:15. The parking lot is much easier to navigate at this time. Many families are arriving after 7:20, creating a backlog in our parking lot and possibly leading to your student receiving a tardy. Please consider arriving earlier to avoid persistent tardies, which negatively affect your student and their classroom. If you have any concerns about the tardy policy, please reach out to the [school office](#) or the [Dean of Students, Sara Swinford](#).

Academy Giving

Be Part of Something Great!

Archway Glendale is seeking an individual/couple to represent our academy on the 2021 Great Hearts Telethon Committee. The Great Hearts Telethon raises funds to benefit the Teacher Excellence Fund, which is distributed to our faculty as bonus compensation on an annual basis. Last year, Archway Glendale teachers received over \$20,000 from this incredible event! This year's Telethon will take place on September 25th. We invite you to be a part of something great and join the Archway Glendale Telethon Committee. A full description of the position can be [found here](#). If you are interested in serving on the committee, please contact Haley Kucharo at hkucharo@greatheartsaz.org.

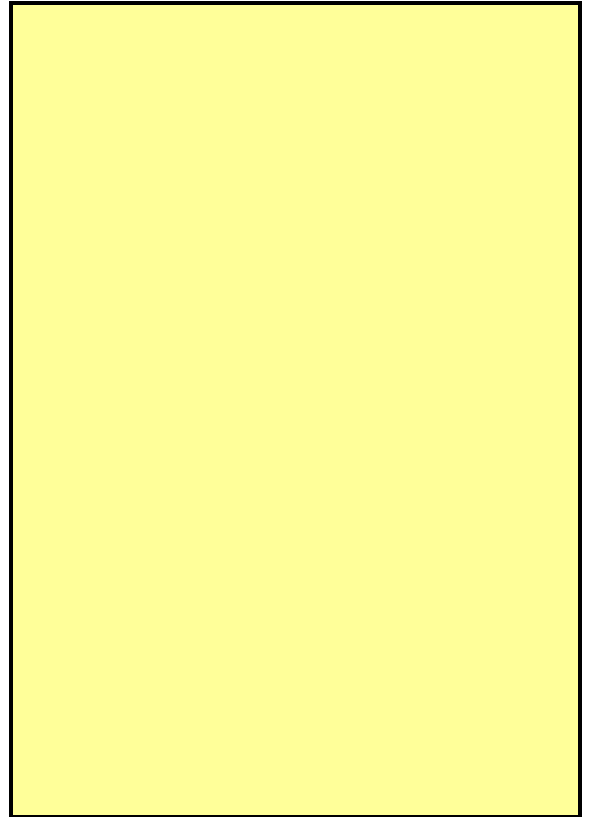

Headmaster Corner

If you have been consistent in student support this year, and your student is sailing along, making great strides, persevere through May 28!

If things have been not as smooth and progress has not been as stellar as we like, strategize as a family on how you can support your student's success. Reach out to teachers, meet by phone, zoom, or in-person, and see what they recommend for your student's focus in the last quarter.

Renew the nightly parent-child reading time commitment. All the studies show tremendous academic and social benefits to such a family habit. Help your student have the study space and time and encourage his best effort as we approach the finish line. Help your student make as many knowledge and skill gains as possible.

Let us partner strong with the Golden Eagle Faculty to achieve learning success for the Golden Eagle Students we love!
