## What Are All These Portals?

Archway Glendale and Great Hearts use many different portals. It can be confusing to know which portal to use for what. Hopefully, the list below will help you:

**[Enrollment Portal](#)**: The Enrollment Portal is used to apply for enrollment or to re-enroll in a Great Hearts school.

**[Payment Portal](#)**: The Payment Portal is unique to Archway Glendale and is where you will go to purchase Student Materials, register for clubs and other special events, etc. If you have students at other Great Hearts schools, you will have a separate Payment Portal for each school. Please note there is also a Great Hearts Payment Portal used for students who attend Athenaeum.

**[Great Hearts Parent Portal](#)**: The Great Hearts Parent Portal is used to access grades for each of your students no matter how many Great Hearts schools they might attend. The Great Hearts Parent Portal is open 4 times a year for parents to view report cards.

## Lost and Found

The Archway Glendale Lost and Found is starting to fill up. If your child has lost a sweater, mask, water bottle, or lunch/snack container, please have them check the lost and found daily. It's located right outside the school library and can be checked before/after school or by asking a teacher for permission. Clearly labeled items are returned to the student's classroom.

Parents are welcome to check the lost and found themselves. Please come to the school office to sign in (make sure to bring your ID).

## Academy Giving

Volunteers needed! Great Hearts is seeking parents and Alumni to volunteer at the Teacher Excellence Fund Telethon on Saturday, September 25th at Veritas Prep in Phoenix. Come serve at this exciting event benefiting our Archway Glendale teachers! [Click here](#) to sign up now!

## Headmaster Corner

Dear Archway Glendale Families,

It was on this day, one year ago, August 26, 2020, that we opened our doors for on campus learning after one quarter plus one month of government mandated school closure. This was a joyous day as students literally skipped onto campus with glee to see their teachers and friends. The halls and classrooms filled with children and laughter. It was also the day that our community had to split into Brick and Mortar Families and Distance Learning Families. It was the day when teacher overload began with simultaneously managing two different learning environments. It was when politics crept into our community trying to divide us. We weathered the storm.

There are many differing opinions on various important issues swirling around us right now. As we strengthen our roots, I urge us to be reminded of our school's name—Archway Glendale. This name was chosen to reference a beautiful doorway to a place where the community can gather and have a reprieve from the current events and popular culture that transpires outside of the school. We strive to focus on that which is good, true, and beautiful, that which transcends the test of time. We strive to focus on that which unites us as human beings rather than what separates us.

Let not current events divide us. Let us come together and join as one community with a shared love and a shared mission.

In partnership,
