## What Are All These Portals?

Archway Glendale and Great Hearts use many different portals. It can be confusing to know which portal to use for what. Hopefully, the list below will help you:

**Enrollment Portal:** The Enrollment Portal is used to apply for enrollment or to re-enroll in a Great Hearts school.

**Payment Portal:** The Payment Portal is unique to Archway Glendale and is where you will go to purchase Student Materials, register for clubs and other special events, etc. If you have students at other Great Hearts schools, you will have a separate Payment Portal for each school. Please note there is also a Great Hearts Payment Portal used for students who attend Athenaeum.

**Great Hearts Parent Portal:** The Great Hearts Parent Portal is used to access grades for each of your students no matter how many Great Hearts schools they might attend. The Great Hearts Parent Portal is open 4 times a year for parents to view report cards.

## Lost and Found

The Archway Glendale Lost and Found is starting to fill up. If your child has lost a sweater, mask, water bottle, or lunch/snack container, please have them check the lost and found daily. It's located right outside the school library and can be checked before/after school or by asking a teacher for permission. Clearly labeled items are returned to the student's classroom. Items that have not been claimed will be donated or thrown away after a couple of weeks.

Parents are welcome to check the lost and found themselves. Please come to the school office to sign in (make sure to bring your ID).

## Academy Giving

**Mrs. Terpstra's fourth grade class, and Mr. Jivcu with kindergarten P.E.**

Archway Glendale wants to wholeheartedly thank all of the families who have generously given to this year's Community Investment campaign! Your investment in our students and teachers supports the great work going on in our classrooms, and specials like P.E. For those who have yet to contribute to Community Investment, we ask you to thoughtfully consider how your gift can make an impact for our students and teachers. This annual fund covers the gap between what we need to deliver the top-tier education that our children deserve, and what we receive from public funding. The truth is, Archway Glendale simply cannot attain the measure of all we do without the continued support of our committed families. Please contact Academy Giving at [csparks@archwayglendale.org](mailto:csparks@archwayglendale.org) for more details. **YOUR GIVING IS NOT ABOUT MAKING A DONATION...IT IS ABOUT MAKING A DIFFERENCE!**

### GP seniors phone banking at the telethon!

Thank you to all of the Archway Glendale families who gave to this year's Great Hearts Telethon! Together, we raised \$600,000 for the Teacher Excellence Fund. If you were unable to join us, you can watch the recorded broadcast [here](#) (go to 3:48 to watch our Glendale segment). Thank you again for helping us make this year's telethon a huge success! If you have yet to contribute to the Teacher Excellence Fund, please contact Academy Giving at [csparks@archwayglendale.org](mailto:csparks@archwayglendale.org) for more details.

## Headmaster Corner

It is my sincere wish that you and your families have a lovely Fall Break filled with family time, love, and good health!

We look forward to seeing you at Parent/Teacher Conferences. Strong family partnerships is one of the keys to Archway Glendale's success making conferences a valuable time. Teachers will share with you observations of your child's strengths and areas of potential growth. In addition to going over data and sharing observations, teachers may ask you about your child's attitude and temperament towards school, learning, and homework. We encourage families to ask questions about matters that are important to you, share information that would be helpful for the teacher, and engage in honest dialogue about student progress.

I have always been so grateful for the spirit of goodwill and partnership with which our parents and teachers enter conferences as we work together for the betterment of our students.

In partnership,
