

The Snowstorm countdown is on! Let's all rally together to give our teachers the bonus they deserve this holiday season by making a gift to Snowstorm!

Thank you so much to those of you who have already contributed. We are 18% of the way to our \$13,000 goal.

So, what exactly is Snowstorm? Well, in lieu of individual gifts, **Snowstorm is a way to show our appreciation with a monetary bonus.** We ask you, the parents, to make a monetary donation which is then divided among the 70+ teachers and staff members of Archway Glendale and presented as a holiday bonus.

There are **only three days left to give.** All the money raised by Friday will show up on our teacher's December 24th payroll.

This is likely the last year we will be participating in Snowstorm, so let's make it count!
