## Headmaster Corner

Dear Archway Glendale Families,

I am so excited for the Spring Festival on Friday evening! One of the best parts of this year's theme of *Strengthening Our Roots* has been the return of community building special events. I believe many people are craving ways to connect as a community, engage with other families, and get out of the house for some good old fashioned fun!

Our PSO has arranged bounce houses, dunk tanks, teacher led carnival games, pizza, raffle prizes, etc. for the festival. What I am most looking forward to is the sense of community these types of events offer and create. Parents can meet and get to know other parents and their children's friends. Students get to play with old and new friends. Younger siblings get a glimpse of their future school. We get to build our community through laughing and playing together.

While preorder sales have ceased, you can still purchase wristbands and tickets the day of the event.

I must admit that I earnestly considered going in the dunk tank before being warned that it is hard for short people to shimmy their way back onto the slippery platform. (If we have not met yet, I stand five feet tall on a good day.) Upon envisioning myself doing a public pull up in wet clothes, I declared the dunk tank was a hard pass for me, but I will be delighted to cheer on others that try to dunk teachers and staff!

See you at the festival!

With gratitude,
