Boxes Needed

Next school year will be the 10th school year for Archway Glendale, so this summer all classrooms will get a refresh of paint and new storage solutions have been made possible by a grant. In order to prepare for this, teachers will be boxing up everything so every wall can get a fresh coat of paint! If you have recently moved and have some boxes left over, please consider donating them to the school. You can bring them to the school office.

Extra-Curricular Programs Survey

Investment. Archway Glendale needs all families to partner together to bridge the \$1500 per student funding gap between charter schools and other public schools. It is understood that each family's situation is unique, so families are encouraged to give as they are able. Your gift stays at Archway Glendale, and directly supports teachers and students in the classroom. If you have yet to give to Community Investment, please [click here](#). Every dollar makes a difference!

For assistance, or if you have questions regarding the critical role Community Investment plays at Archway Glendale please reach out to Cathy Sparks at csparks@archwayglendale.org. Thank you!

Headmaster Corner

Dear Archway Glendale Families,

As the school year winds down, we have been reflecting on our thematic goal of *Strengthening our Roots*. Our roots are not merely based on our curriculum and pedagogy, but also in our culture and community. Our community of distance learners and brick and mortar learners re-united back into one community this year. Each special event and tradition (i.e. field trips, celebrations, clubs, community events, Spring Concert, etc.) returned with record-breaking attendance, and we no longer took these events for granted. Hallmarks of our culture—virtue, joy, and growth mindset—have been tended to and cultivated. Student academic and social development that had been disrupted last year is back on track. Our roots are strong and sturdy, nurtured by love, passion, commitment, and support from the whole community. After a year of transitioning back to normalcy, we are well poised to continue growing and flourishing next year!

Let us enjoy and savor the last six days of the school year that we get to spend together!

With gratitude,
