The school year has started off without a hitch. We have the most parent volunteer activity since 2019 and we are so thankful for every one of you!

It seems like everyone is ready to “get back into the groove” of volunteering and are willing and eager to use their time and/or talents to help our school. From being a section parent, to covering lunch and recess for a teacher, to being a smiling face at drop-off, there’s really something for everyone. I’m so excited to watch the culture of our school grow from the generosity of parents and volunteers.

If you have signed up for one of these positions - thank you! If you would like more information on ways to become a vital part of our community, please read below for some great opportunities to get involved.
