## Headmaster Corner

Dear Archway Glendale Families,

I fondly remember the period of time when I had three children spread out between Archway Glendale and Glendale Prep. I appreciated all of the communication from the teachers and school. Even though I was a teacher at the school, I still welcomed E-blasts and information. Yet, two weekly school E-blasts, two weekly PSO E-blasts, three weekly classroom newsletters, robocalls, robotexts, Community Investment letters, misc. emails, etc. sometimes felt a little overwhelming. I know

people are busy and want streamlined communication. We are going to make a few tweaks to our communication plan:

- Instead of weekly E-blasts from school, we are switching to E-blasts every other week. The E-blasts will go out every other Thursday at 3:05 pm.
- Instead of weekly PSO E-blasts from our PSO, we are switching to PSO E-blasts every other week. The PSO E-blasts will go out every other Thursday at 3:05.
- The school and PSO E-blasts will alternate every other week with each other.

The following communication tools will remain the same:

- Weekly classroom newsletters will continue to go out on Fridays from classroom teachers.
- Robocalls and robotexts will be reserved for emergency messaging and last minute reminders.
- On occasions, we may send an unscheduled email out when there is an unexpected or urgent situation.
- Our Facebook page contains reminders, tips, announcements, and pictures and videos of happenings at school.

I encourage you to please read the information in the communiques to be abreast of important events, procedures, and dates for school. We earnestly do our best to provide clear information, but it is completely understandable if you ever need to call or email us to seek clarification. If you ever have a question, frustration, need, or idea, please do not hesitate to contact us. We love helping our families, and we love receiving good ideas that help us get better and better!

With appreciation,
